

Remarks

Claims 31-37 and 39-45 have been allowed and thus no substantive amendment has been made. However, claim 45 has been amended to affect the appropriate dependence from claim 44. Claim 46 has been amended to place it in proper dependant format. Claims 47 and 49 now no longer depend from a rejected claim. Claims 38 and 48 have been amended to remove certain language in an effort to further the prosecution of these claims to allowance. Claims 38 and 48 find support in the specification at pages 6 and 15.

In view of the foregoing, it is submitted that the claims are in condition for allowance, and a Notice of Allowance is requested.
